NARRATIVE:

Mckenzie has an extensive adult criminal history that began at the age of 20. He is considered high risk tiered. His convictions include possession of controlled substances with a firearm, multiple battery on a spouse or cohabitant (assault), vehicle theft, Id theft, forgery, driving with a suspended license, assault, multiple drug related charges, burglary, violation of parole, and possession of dangerous weapons. Mckenzie has served multiple state prison terms the longest a two (2) year term for possession of controlled substances while armed. Mckenzie was released from state prison to the supervision of the Los Angeles County Probation Department on August 5th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Mckenzie absconded from post release community supervision (PRCS). Mckenzie qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance while armed is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
